

# Halloween

## Crafts & More!

# Paper Plate Black Cat

## Materials Needed:

- Paper plates
- Black paint
- Black pipe cleaners
- Wiggle eyes
- Black pom-poms

## Directions:

1. Paint 2 paper plates black.
2. Once dry, cut an arch out of the bottom of one of the paper plates. This will create the cat's body and legs.
3. Cut a circle, 2 small triangles, and a spooky tail out of the other paper plate.
4. Glue the triangles onto the circle to make the cat's head and ears.
5. Glue the head and tail to the body.
6. Glue pipe cleaners around the edge to outline the entire cat.
7. Glue the wiggle eyes to the cat's face.
8. Cut a pipe cleaner into 3 sections.
9. Glue the sections below the eyes to create whiskers.
10. Glue the black pom-pom to the center of the whiskers to make the cat's nose.

# Popsicle Stick Frankenstein

## Directions:

1. Paint 7 popsicle sticks green.
2. Once dry, lay the popsicle sticks side by side. Glue 2 more popsicle sticks across the back to keep the 7 green sticks in place.
3. Cut the ends off the last popsicle stick and cover them in silver glitter glue. Let dry.
4. Use the black marker to outline hair on the top part of the green popsicle sticks.
5. Following the outline, you just made, paint the hair black. Let dry.
6. Glue the wiggle eyes onto Frankenstein's face.
7. Glue the green pom-pom below the wiggle eyes to make his nose.
8. Draw on eyebrows and a wiggly smile using the black marker.
9. Using red glitter glue give him a few scars.
10. Lastly, glue the silver popsicle sticks onto the bottom of Frankenstein's head.

## Materials Needed:

- 10 popsicle sticks
- Paint: green and black
- Wiggle eyes
- Pop-pom: green
- Marker
- Glitter glue: silver and red
- Glue

# Oreo® Spiders

## Materials Needed:      Directions:

- Oreo®
- Pretzel sticks
- Candy eyes
- Candy corn
- Icing

**Helpful Hint:**  
Double Stuf Oreo®  
work best!

1. Break 4 pretzel sticks in half to make the spider's 8 legs.
2. Push the legs into the crème on either side of the Oreo®.
3. Place a small amount of icing on the bottom side of 2 candy eyes.
4. Place the eyes on the top of the Oreo®.
5. Cut two candy corn in half. Keep the top half (the white point).
6. Push the candy corn into the crème of the Oreo® below the eyes to create fangs.
7. Enjoy!

# Coffee Filter Monsters

## Materials Needed:

- Coffee filters
- Washable markers
- Spray bottle of water
- Construction paper:  
white and black
- Pipe cleaners
- Glitter glue
- Glue

## Directions:

1. Color 2 coffee filters with washable markers. You do not have to color the entire filter, there can be white spots left.
2. Spray the colored coffee filters with water to tie dye. Let dry.
3. Using one of the tie-dyed coffee filters cut out horns for your monster.
4. Decorate the horns as desired. You can cover them with glitter glue, wrap them in pipe cleaners, etc.
5. Glue the horns to the monster's head.
6. Using white construction paper cut out eyes for the monster. Glue a black construction paper circle to the middle of the eye. Glue to the monster's face.
7. Cut a mouth out of black construction paper. Glue below the eyes.
8. Using white construction paper cut out small triangles to make teeth. Glue the teeth to the monster's mouth.
9. Cut eyebrows out of the black construction paper and glue above the eyes.

# Handprint Vampire

## Directions:

1. Paint the child's fingers black and their palm skin toned.
2. Press child's hand firmly onto the white paper.  
Remove and let dry.
3. Cut a large triangle out of black construction paper.  
This will become the collar of the vampire's cape.
4. Cut a slightly smaller triangle out of red construction paper.  
Fold the paper back and forth to give it some texture.
5. Glue the red folded triangle to the center of the black triangle.
6. On a piece of black construction paper draw the shoulders and torso of the vampire. Cut the body out.
7. Glue the collar of the cape to the vampire's body.
8. On a white piece of construction paper cut out a rectangle.  
By cutting one end of the rectangle to a point you will create the vampire's undershirt.
9. Glue the undershirt to the center of the vampire's body.
10. When the hand-print is dry, cut it out.
11. Use a black marker to fill in the hairline and to draw a smile on the vampire's face.
12. Glue the wiggle eyes onto the face.
13. Cut two small triangles out of white construction paper to make fangs. Glue onto the vampire's smile.
14. Glue the hand-print or head onto the collar above the undershirt.
15. Cut a bow tie out of red construction paper and decorate as desired. You can use glitter glue, gems, buttons, etc.
16. When dry, glue the decorated bow tie onto the vampire's neck.

## Materials Needed:

- White paper
- Construction paper; red, white, and black
- Black marker
- Paint black and skin-toned
- Wiggle eyes
- Glitter glue, gems, buttons, etc.
- Glue
- Scissors

**Helpful Hint:** Assistance from an adult will be needed for making the child's hand-print.

# Toilet Paper Roll Black Cat and Mummy

## Materials Needed:

- Toilet Paper Roll
- White crepe paper
- Wiggle eyes
- Glue
- Black Paint
- Black pom-poms
- Black pipe cleaners
- Scissors

**Helpful Hint:** You may need to layer when wrapping so that you cannot see the roll underneath the streamer.

## Black Cat Directions:

1. Paint the toilet paper roll black.
2. Once dry, fold the top of the roll in and glue to create the ears.
3. Glue the wiggle eyes onto the cat's face.
4. Cut a pipe cleaner into 3 short sections. Glue below the eyes. This will create the whiskers.
5. Glue the pom-pom onto the middle of the whiskers to make a nose.
6. Bend a pipe cleaner to create a spooky tail. Glue onto the back of the roll.

## Mummy Directions:

1. Glue the end of the crepe paper to the back of the toilet paper roll.
2. Wrap the crepe paper around until about  $\frac{3}{4}$  of the roll is covered.
3. Glue on the wiggle eyes.
4. Glue the end of the crepe paper to the back of the roll again. This time start  $\frac{3}{4}$  of the way up the roll so that the rest can be covered.
5. Wrap the crepe paper around the roll, slightly covering the wiggle eyes.
6. Once the whole roll is covered, glue the end of the crepe paper to the back of the mummy.

**Helpful Hint:** A glue gun makes gluing on pipe cleaners easier, but always have an adult operate the glue gun.

# Button Ghost

## Materials Needed:

- Construction Paper: orange and black
- Buttons: white and 3 black
- Glue
- Pencil

## Directions:

1. Glue the black paper onto the orange paper.
2. Using the pencil, draw the outline of the ghost onto the black paper.
3. Begin gluing white buttons onto the black paper filling in the outline you drew.
4. Continue layering the buttons until you can no longer see the black paper underneath.
5. Use 3 black buttons to create the ghost's face.

# Spider Ring

## Materials Needed:

- Pom-poms:  
one medium, one small
- Pipe cleaners
- Glue

## Directions:

1. Glue the small pom-pom onto the medium pom-pom to make the spider's head and body.
2. Cut a pipe cleaner into 4 medium-sized sections.
3. Bend the 4 sections into a "M" shape.
4. Glue the spider's body onto the middle of the four "M's". This will create the spider's creepy-crawly legs.
5. Wrap a pipe cleaner around the child's finger to create the ring.
6. Glue the ring to the bottom of the spider.

**Helpful Hint:** Hot glue works best, but always have an adult operate the glue gun.

# Pumpkin Rice Krispie Treats

## Materials Needed:

- Butter
- Marshmallows
- Rice Krispies™ Cereal
- Food Coloring: orange or yellow and red
- Tootsie Rolls®
- M&M's®  
(only need the green ones)

## Directions:

1. Melt 3 tablespoons of butter and 4 cups of marshmallows in a large bowl. Microwave for 3 minutes, taking out to stir after 2 minutes.
2. Stir in 3 drops of orange food coloring. If using red and yellow food coloring, use 2 drops of yellow and 1 drop of red.
3. Stir in 6 cups of Rice Krispies™ cereal.
4. Once mixed thoroughly, form into balls and place onto a tray.
5. Push a Tootsie Roll® into the top of each ball. This will be the stem of the pumpkin.
6. Place a green M&M's® next to the Tootsie Roll® as a leaf.
7. Place the finished pumpkins into the fridge to cool.
8. Enjoy!

**Helpful Hint:** To keep from sticking to your hands when forming into balls, cover your hands with butter!

# Popsicle Stick Scarecrow

## Directions:

1. Lay 7 popsicle sticks side-by-side. Glue 2 popsicle sticks across the back to keep the 7 popsicle sticks in place.
2. Paint the top of the 7 popsicle sticks orange to make the scarecrow's hat.
3. Paint another popsicle stick orange.
4. Cut 6 strands of burlap ribbon. Taking 3 strands, braid the ribbon. Repeat on the other 3 strands.
5. Using the black ribbon, secure the end of each braid.
6. Glue the braid to the hat.
7. Glue the orange painted popsicle stick to the bottom of the hat, covering the top of the braids.
8. Paint the ends of the 3 remaining popsicle sticks yellow.
9. Once dry, cut the yellow ends off.
10. Glue the ends together to form a flower.
11. Glue the pom-pom to the middle of the flower.
12. Glue the flower to the scarecrow's hat.
13. Glue the wiggle eyes to the scarecrow's face.
14. Using glitter glue, draw a triangle nose below the eyes.
15. Draw a stitched-on smile with a black marker.
16. Draw on blushed cheeks with a red or pink crayon

## Materials Needed:

- 13 popsicle sticks
- Paint: yellow and orange
- Black pom-pom
- Wiggle eyes
- Ribbon: burlap and black
- Glitter glue
- Marker
- Crayon: red or pink
- Glue

# Yarn Spiderweb

## Spiderweb Directions:

1. Paint the popsicle sticks white.
2. Once dry, decorate with glitter glue. Let dry.
3. Glue the 3 popsicle sticks together crossing them in the middle.
4. Tie the white yarn to the center of the popsicle sticks,
5. Begin wrapping the yarn around each popsicle stick.
6. Glue the yarn down when you get to the edge of the spider web.

## Materials Needed:

- Pom-poms: Medium and small
- Pipe cleaners
- 3 popsicle sticks
- White paint
- White yarn
- Glitter glue
- Glue

## Spider Directions:

1. Glue the small pom-pom onto the medium pom-pom to make the spider's head and body.
2. Cut a pipe cleaner into 4 medium sized sections.
3. Bend the 4 sections into a "M" shape.
4. Glue the spider's body onto the middle of the four "M's". This will create the spider's creepy-crawly legs.
5. Glue the spider onto the spiderweb.
