Wash Your Hands! Get \$25 Gift Card

Now, more than ever before, we need to come together as a community and help one another. As we face these unprecedented times, our first responsibility is to keep our families and loved ones safe and healthy. As a company, we also want to support the needs of teachers and parents as they prepare to meet the demands of at home learning.

In response to COVID19, we want to educate children about the importance of washing their hands! So, we've released a fun song called **"Wash Your Hands!"** Kids need to be taught that they should lather up and wash their hands for at least 20 seconds—about the time it takes to sing the ABC song!

It's important to teach our children healthy habits, so help us make this song go **VIRAL!**
